Grants

— External

Funded

Liberty Fund. “Price Theory Boot Camp” (with Alexander William Salter). Co-PI, Texas Tech University. \$50,000, 2023. Programmatic grant supporting a one-week graduate-student boot camp in price theory held during winter break (programmatic funding; no faculty salary or time support).

Pending

National Endowment for the Humanities, Endowments for Advancing the Humanities. “Endowed Program in American Political Economy,” Florida Atlantic University. Project Director. \$2,000,000 in NEH matching funds requested (plus \$100,000 in NEH fundraising support), to be paired with \$2,000,000 in non-federal gifts (\$4,000,000 total); decision expected June 2026.

Institute for Humane Studies. Free Society Grant, to support the Economic Essentials Reading Group. \$16,500 requested; decision expected July 2026.

— Internal

Funded

Florida Atlantic University, Summer Undergraduate Research Fellowship (Office of Undergraduate Research and Inquiry). Awarded to Jack Steckel; faculty mentor. \$4,000, 2026 (no candidate salary or time support; award supported the student’s research).

Florida Atlantic University, Office of Undergraduate Research and Inquiry. Undergraduate research grant supporting the research of Jack Steckel. Faculty mentor. \$600, 2025 (no candidate salary or time support; award supported the student’s research).

Angelo State University. Undergraduate Faculty-Mentored Research Grant. Faculty mentor. \$2,000, 2023 (no candidate salary or time support; award supported the student’s research).

Courses Taught at FAU

ECO 2013: Macroeconomic Principles

ECO 2023: Microeconomic Principles (newly developed)

ECO 3203: Intermediate Macroeconomics

Supervision of Graduate Students

Tess Beck, Department of Management, Florida Atlantic University. Committee member, doctoral dissertation (in progress).

Jessica Collins, Executive Ph.D. Program, Florida Atlantic University. Committee member, doctoral dissertation: “Algorithmic Bias: A Comparative Analysis of Disparate Impact in Mortgage Origination and Denial Rates Between Fintech and Traditional Bank Lenders” (proposal defended Spring 2026; dissertation defense expected Fall 2026).

Supervision of Undergraduate Students

Gracie Plonisch. “Estimating U.S. Money Demand” (independent study). Completed May 2026.

Jack Steckel. “Evaluating the P-Star Model with Divisia Monetary Aggregates” (independent study). Expected completion August 2026.

Service and Professional Development

Service to the Institution

— Department/School

Director of Graduate Studies, Department of Economics, Florida Atlantic University 2026–present

Director of Undergraduate Studies, Department of Economics, Florida Atlantic University 2024–2026

Organizer, Economic Essentials Reading Group, Department of Economics, Florida Atlantic University 2024–present

Applied for the donation of a complete Liberty Fund library to the Department of Economics, Florida Atlantic University (estimated value approximately \$5,000; pending, decision expected June 2026).

Service to the Discipline/Profession

Interim Director, Sound Money Project, American Institute for Economic Research 2026–present

Associate Editor, *Public Choice* 2025–present

Editorial Board Member, *Public Choice* 2023–2024

Guest Editor, special issue on the Federal Reserve’s framework review, *Southern Economic Journal* 2025

Board Member, Association of Private Enterprise Education 2026–present

Board Member, Society for the Development of Austrian Economics 2025–present

Organizer and scholar advisor, “Lifting Barriers to Human Flourishing: A Policy Research Workshop,” Institute for Humane Studies. Virtual workshop, July–August 2026, with an in-person convening at Florida Atlantic University, Fall 2026.
